

# Safety Stories

## Snowblink

Canâ€™t put my print in anything  
Try and write it in snow-  
Try and write it in dust

Canâ€™t put my print in anything  
Try and write it in snow- soon itâ€™s smooth smooth as a tusk  
Try and write it in dust, soon itâ€™s smooth as bone

Canâ€™t rain my cloud on anything  
Try and block the sunâ€™’soon, like arrows, gone, gone, gone  
Try and wet the wildsâ€™’soon old dry woodpile

Careful, careful; weâ€™ll get everything we want
