

Turn It Up

Stereos

Oh Oh A Ohh
When you walk in them jeans
And I get you with me
Wanna get you driving baby
Come and give me them keys
Get you in my seats
Gonna be my esclalady
Get the stereo up
Like you turning me on
Like were getting louder baby
We could drop the top and show the world just how u
drive me crazy
Oh Oh A Ohhhh
It's our big mission
Oh Oh A Ohh
No competition
Oh Oh A Ohh
Nobody here on the road like this and we ain't turning
back tonight
Turn it up
Turn it up
Turn it up now
Get in the back cause were driving just to get down
Turn it up
Turn it up
Turn it up now
Just let go cause we ain't turning back tonight
[Just let go cause we ain't turning back tonight]Gonna cruise tonight 'cause we can do this right
Doesn't matter what were facing
'Till the sun come up or the stars burn out, we got no
destination
You can hold my hand and if your best friend wanna ride
with us
I'm on it
We can double up I won't just kill it i'm a Al Capone
Oh Oh A Ohh
It's our big mission
Oh Oh A Ohh

No competition
Oh Oh A Ohh
Nobody here on the road like this and we ain't turning
back tonight
Turn it up
Turn it up
Turn it up now
Get in the back cause were driving just to get down
Turn it up
Turn it up
Turn it up now
Just let go cause we ain't turning back tonight(x2)
Oh Oh A Ohh
So turn it up now
Oh Oh A Ohh
Were gonna get down
Oh Oh A Ohh
Nobody here on the road like this so we ain't turning
back
When you walk in them jeans
And I got you with me
And now were driving baby
Get the stereo hot and take that shot
Get ready go oh
Get ready go oh
Turn it up
Turn it up
Turn it up now
Get in the back cause were driving just to get down
Turn it up
Turn it up
Turn it up now
Just let go cause we ain't turning back tonight(x2)
Oh Oh A Ohh
Oh Oh A Ohh
