

# Song X

Neil Young

Hey ho away we go  
We're on the road to neverWhere life's a joy for girls and boys  
And only will get betterHey ho away we go  
We're on the road to neverRomeo and Juliet  
The doctor and his case  
Without a plan they left the van  
And there were laid to wasteHey ho away we go  
We're on the road to neverThe priest was there with sandy hair  
Religion by his side  
He saw his law was broken  
The punishment was appliedHey ho away we go  
Along the road to never  
Hey ho away we go  
We're on the road to never[solo]He held her hand and wished her well  
Although his heart was aching  
The cameras rolled  
The print was bold  
The holy war was breaking  
It's hey ho away we go  
We're on the road to never  
Where life's a joy for girls and boys  
And only will get betterHey ho away we go  
Along the road to never  
Hey ho away we go  
We're on the road to never  
Hey ho away we go  
Along the road to never  
Hey ho away we go  
We're on the road to never[solo]The priest was there with sandy hair  
Religion by his side  
He saw his law was broken  
The punishment was applied
