

Infidel

Five for Fighting

Heaven fell from the sky tonight
There were virgins in my backyard
Chasing angels with fire sticks Heaven fell on herself tonight
And Moses lay in pieces from some
17 year old bomb, bomb, bomb, bomb, bomb, yeah Here we go, someone's knocking at my window
Here we go, I didn't ask for this shit
Here we go, someone's knocking at my window
Here we go, I didn't ask for it, ask for it, ask for it Heaven fell from the sky tonight
And the whole damn world invited themselves
To my Sunday barbecue, yeah Heaven fell and it's not all right
And God won't dare show his face
From of the bottom of my swimming pool Here we go, someone's knocking in my window
Here we go, I didn't ask for this shit, no
Here we go, someone's knocking at my window
Here we go, I didn't ask for it, ask for it, ask for it
Ask for it, ask for it La lee be la, la lee be lo
Here comes the fire trucks, open the show
Here in the spotlight, which way did they go?
Which way did they go? I'm nobody
I'm nobody
I'm nobody
I'm nobody Heaven fell from
Heaven fell from
Heaven fell from
Heaven fell from Heaven fell from
Heaven fell from
Heaven fell from
Heaven fell from Heaven fell on herself tonight
Heaven fell on herself tonight
Heaven fell on herself tonight
Heaven fell on herself tonight
Heaven fell on herself tonight Tonight
Tonight
Tonight
Tonight
