

Stop That Train

Peter Tosh & The Wailers

Stop that train I'm leaving
Stop that train I'm leaving
Stop that train I'm leaving
It won't be too long whether I'm right or wrong
I said it won't be too long whether I'm right or wrong All my good life I've been a lonely man
Teaching the people who don't overstan'
And even though I've tried my bes'
I still don't find no happiness
Stop that train I'm leaving
Stop that train I'm leaving
Stop that train I'm leaving
It won't be too long whether I'm right or wrong
Said it won't be too long whether I'm right or wrong Some goin' east
Some goin' west
Some step aside to try their best
Some livin' big
But the most livin' small
They just can't even find
No food at all
Stop that train I'm leaving
Stop that train I'm leaving
Stop that train I'm leaving
It won't be too long whether I'm right or wrong
Said it won't be too long whether I'm right or wrong Stop that train I'm leaving...
