

# Bad Blood

Neil Sedaka

It could've been me but it was you  
Who went and bit off a little bit more than he could chew  
You said that you had it made, but you been had  
The woman no good, no how, thinkin' maybe the blood is badBad blood  
(Bad blood)

The woman was born to lie  
Makes promises she can't keep  
With the wink on an eyeBad blood  
(Bad blood)

Brother, you've been deceived  
It's bound to change you mind  
About all you believeFrom where I stand, it looks mighty strange  
How you let a woman like that treat you like small change  
I don't understand what you're lookin' to find  
The only thing bad blood do is mess up a good man's mindHear me talkin' nowBad blood  
(Bad blood)

The bitch is in her smile  
The lie is on her lips  
Such an evil childBad blood  
(Bad blood)

Is takin' you for a ride  
The only thing good about bad blood  
Is lettin' it slideDoo-ron, doo-ron, di di, dit, dit, ron-ron  
Doo-ron, doo-ron, di di, dit, dit, ron-ron  
Doo-ron, doo-ron, di di, dit, dit, ron-ron  
Bad blood, talkin' 'bout bad bloodDoo-ron, doo-ron, di di, dit, dit, ron-ron  
Doo-ron, doo-ron, di di, dit, dit, ron-ron  
Doo-ron, doo-ron, di di, dit, dit, ron-ron  
Bad bloodHere we go  
Bad blood  
(Bad blood)

The bitch is in her smile  
The lie is on her lips  
Such an evil childBad blood  
(Bad blood)

Is takin' you for a ride  
The only thing good about bad blood  
Is lettin' it slide  
The only thing good about bad blood

Is lettin' it slide
