

Tundra

Black Book Lodge

If there's a fire I'll make certain you'll be there to see the flames/

And if you ever feel the burden

I'll be there to pressure the load/

Like a stones throw at your window

making sure you remember my name/

I doubt you'll forget it once you feel it

come knocking at your door/

Hunting the trail/

Purged in the soil/

Beyond the pale/

Of the vast infinities/

A fleeting glimpse/

Easily missed/

Naked to the eye/

A promise of faith/

The honest thruth/

Riddled in disguise/

Here lies the answer/

The enigma/

Slightly out og sight/

If the hard rain ever finds you

I'll make sure it'll soak to the bone/

Like the ripples in the waters

leading straight into the sea/

I'll see to it that the tempest

drags you all the way/

To the scapes of the tÃ»ndra

washed up on the shore/

Hunting the trail/

Purged in the soil/

Beyond the pale/

Of the vast infinities/

A fleeting glimpse/

Easily missed/

Naked to the eye/

A promise of faith/

The honest thruth/

Riddled in disguise/

Here lies the answer/

The enigma/
Hunting the trail/
Purged in the soil/
Beyond the pale/
Of the vast infinities/
A fleeting glimpse/
Easily missed/
Naked to the eye/
A promise of faith/
The honest thruth/
Riddled in disguise/
Here lies the answer/
The enigma/
Slightly out og sight/
Always slightly out og sight/
