Do We Stand A Chance

One Voice

Ever since I set mah eyes on you
I knew you were the one
That I've been waiting for so long...
So many times I searched for love so true
And now I find you,
I pray that you'll be mine forever
ChOrUs
Tell me do we stand a chance at all...?
Or will you be a memory?
Living in mah dreams forever
Do we stand a chance at all...?
I know that love and destiny
Will bring the two of us together...
Baby...what do you feel inside?

I tried to find an answer
When I look into your eyes
These feelings are so hard to hide
And everytime I look at you
I feel mah heart cry
Can't you see that all I want is for you to know
How much I realee need you
'cause I love you so...
Ryte now I can tell that in time
You'll be near
I can't wait for the day
When you'll finally be here
ChOrUs
(Together...Together...Together...Together...)
