This Song

George Harrison

This song has nothing tricky about it
This song ain't black or white and as far as I know
Don't infringe on anyone's copyright, so
This song, we'll let be, this song is in E
This song is for you and
This tune has nothing bright about it
This tune ain't bad or good and come ever what may
My expert tells me it's okay
As this song came to me unknowingly
This song could be, you could be
This riff ain't trying to win gold medals
This riff ain't hip or square, well, done or rare
End up one more weight to bear
But this song could well be
A reason to see that
Without you, there's no point to this song
But this song could well be
A reason to see that
Without you, there's no point to this song
