

# Love and Happiness

[John Mellencamp](#)

Well, we're droppin' our bombs in the Southern Hemisphere  
And people are starving that live right here  
And they're tearing down walls in the name of peace  
And they're killing each other in the Middle East But love and happiness  
Have forgotten our names  
And there's no value left  
In love and happiness  
Oh yeah, oh yeah They raise the price of oil and they censor our mouths  
If you are a young couple today forget buying a house  
And we wage or wars in the neighborhoods  
We kill the young to feed the old and man that ain't no good But love and happiness  
Have forgotten our names  
And there's no value left  
In love and happiness  
Oh yeah So, if you sell arms or you run dope  
You got respect and you got hope  
But the rest of us die on your battle fields  
With wounds that fester and bleed but never heal Yeah and love and happiness  
Have forgotten our names  
And there's no value left  
In love and happiness  
Oh yeah, oh yeah And love and happiness  
Yeah, love and happiness  
Have forgotten our names  
And there's no value left  
In love and happiness, oh yeah  
A little love and happiness, oh yeah  
Love and happiness, oh yeah  
A little love and happiness, oh yeah
