

Pussyfootin'

Gomez

Gonna let it down
Gonna let it down
I'm gonna let it downGonna let it down
Gonna let it down
I'm gonna let it downPussyfootin'
Pussyfootin' around
Has just got me down, yeahPussyfootin'
Pussyfootin' around
Has just got me downBecause I don't care
What's made you frown
I'm just tired of my
Pussyfootin' aroundPussyfootin'
Pussyfootin' around
Has just got me down, yeahPussyfootin'
Pussyfootin' around
Has just got me downBecause I don't care
What's made you frown
I'm just tired of my
Pussyfootin' aroundShe has gone, gone to the stratosphere
She has gone, gone far away from here
She has gone, but it ain't right
Yeah, it's coming alivePussyfootin'
Pussyfootin' around
Just got me downBecause I don't care
What's made you frown
I'm just tired of my
Pussyfootin' aroundGonna let it down
Gonna let it down
I'm gonna let it downGonna let it down
Gonna let it down
I'm gonna let it down
