

Do You Know What I'm Sayin'

Ugly Duckling

Do you know what I'm sayin'?
I know what you're sayin'
Do you know what I'm sayin'?
I know what you're sayin'Do you know what I'm sayin'?
I know what you're sayin'
Do you know what I'm sayin'?
Man, I know what you're sayin'You see I'm programmed to slam in the summer spring or fall
Pushin' up spit ball through plastic straws
And this may sound disgusting and like very gross
When I get my fill I chili mostMC's out there ya better stand clear
I have no time for conversation my dear
From kings come queens and from Queens come kings
But the cookie, cookie crack took all those thingsYou're like a daytime talk show, and that low
Knockin' on my door sayin', eh, yo, yo
I go on and on like popcorn
Hook a beat up and convert into hip-hop formI'm so and so I this I that
When the crowds like this I'm ready to rap
So microphone checka 1, 2 what is this?
Your moms in my business, shes in my businessGo off, go off, what? Go off, go off
You know what I'm sayin', you know what I'm sayin'
Go off, go off, what? Go off, go off
You know what I'm sayin', you know what I'm sayin'
Go off, go off, what? Go off, go off
You know what I'm sayin', you know what I'm sayin'Go off, go off, what? Go off, go off
You know what I'm sayin', you know what I'm sayin'
Einstein, he knows what I'm sayin'
You know what I'm sayin, huh? Go off, go offWhen I was five years old I realized there was a road
Too hot to handle and too cold to hold
This is the music of a hip-hop band
And no rapper can rap quite like I canAnd what have you let me, yo what have I got
Twelve woofers in the trunk beatin' down the block
I make a right at the laundry, you see my name on the wall
Couldn't walk a straight line if they let me crawlGirl what do you think this is presidents day?
It's not the strategy, it's not the game I play
She said, Choi yoi yoi yoi yoi yoi yoi
I break an Mc like a Tonka toyI make it sound and later make a dub
The answer is D, all of the above
Elvis was a hero to most
I'm not from France but I eat French toastYou know what I'm sayin', you know what I'm sayin'

You know what I'm sayin', you know what I'm sayin'
You know what I'm sayin', you know what I'm sayin'
You know what I'm sayin', you know what I'm sayin'
Einstein, he knows what I'm sayin', you know what I'm sayin'
