## Enigma

In reverse mode  
Cause we are the fighters  
Just fighting for our rights  
Stand up, join us, modern crusaders alive  
We have the power We're not submissive, we're not aggressive  
But they think  
Stand up, join us, modern crusaders alive  
We have the power  
Sors salutis  
Et virtutis  
Michi nunc contraria Hac in hora  
Sine nora  
Cordum pulsum tangite  
Quod per sortem  
Sternit fortem  
Mecum omnes plangite Translation  
Fate, in health  
And virtue  
Is against me
