

# Let It Will Be

## Madonna

Now I can tell you about success, about fame  
About the rise and the fall of all the stars in the sky  
Don't it make you smile that it will be?  
Just let it be, won't you let it be?  
Now I can tell you about the place I belong  
You know it won't last long  
And all those lights, they will turn down  
Let it will be, oh, let it be  
Just let it be, won't you let it be?  
Now I can see things for what they really are  
I guess I'm not that far, I'm at the point of no return  
Just watch me burn, let it will be  
Just let it be, oh, let it be  
Let it will be, just let it be  
(Just let it be, let it will be)  
Oh, let it be, oh, let it be  
(Got to let it be, won't you let it be?)  
Now I can tell you the place that I belong  
It won't last long, the lights, they will turn down  
Oh, let it be, oh, let it be  
Oh, let it be, oh, let it be  
(Won't you let it be, you got to let it be)  
Oh, let it be, oh, let it be  
(Anyone can see, let it will be)  
Just watch me burn, oh, let it be  
Just let it be, won't you let it be?  
Won't you let it be, oh, let it be  
(Just let it be, let it will be)  
Just let it be, won't you let it be?  
(You got to let it be, won't you let it be, won't you let it be?)  
Now I can tell you, tell you, tell you, tell you  
(Won't you let it be, won't you let it be?)  
About success, about fame, about fame, about fame, about fame  
(Just let it be, won't you let it be, won't you let it be?)  
Oh, let it be, just let it be, won't you let it be?
