

Muny

Nicki Minaj

Oh no, we don't play with silly girls
All I know is the material girls
Give me the muny, the cars, the case loads
The mun-mun-muny, the yen and the pesosThe mun-mun-muny, the mun-mun-muny, the mun-mun-muny
Yen and the pesos
The mun-mun-muny, the mun-mun-muny, the mun-mun-muny
Yen and the pesosThe mun-mun-muny, the mun-mun-muny, the mun-mun-muny
Yen and the pesos
The mun-mun-muny, the mun-mun-muny
The mu-mu-mu-mu-muny, the mu-mu-mu-mu-muny, muny, munyTold y'all on Drake's shit, told y'all to fixate
Bitches want my old shit, buy my old mixtape
I ain't fuckin' with you bum bitches no more
Always in the club lookin' like a bozoTalkin' 'bout money, we could have a conversation
Top five tax bracket in the population
Hatin' and I know they got a reason why
I ain't got to wonder if I want to lease or buyAnd I dictate how I'm gonna piece the pie
I ain't talkin' about no muthafuckin' pizza pie
'Cause I keep a bad bitch, booty big and the waist thin
Seen his little wiener, but we don't like NathansNa, homie you gon' need a bigger cockpit
'Cause when I fly, I be right behind the cockpit
Aye, yo captian, aye yo cap'
I, I don't wanna hear that navigation, baby pa'
I'm tryin', I'm tryin' to get some sleep, ya dig?Oh no, we don't play with silly girls
All I know is the material girls
Give me the muny, the cars, the case loads
The mun-mun-muny, the yen and the pesosThe mun-mun-muny, the mun-mun-muny, the mun-mun-muny
Yen and the pesos
The mun-mun-muny, the mun-mun-muny, the mun-mun-muny
Yen and the pesosThe mun-mun-muny, the mun-mun-muny, the mun-mun-muny
Yen and the pesos
The mun-mun-muny, the mun-mun-muny
The mu-mu-mu-mu-muny, the mu-mu-mu-mu-muny, muny, munyI'm in the UK but just for one day
Who's to say I won't come back again
Materialistic I'm narcissistic
My shoe game is mean it's so sadisticI took a learjet to cop some lipstick, yeah
I'ma risk it, I'm optimistic
I sip on Rose you sip your mistake
My flows' a biscuit short of a picnicOkay, Versace Pythons, Louis aviators
Balenciagas and they gotta be the gladiators

Chanel lambskin, vintage Vanson
I'm on the bike doin' wheelies in a mansionA lot of bad bitches on the pole dancin'
Gucci bag just to put the coke cans in
