Higher And Higher

Jimmy Barnes

Your love is liftin' me higher
Than I've ever been lifted beforeYour love is liftin' me higher
Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forevermoreNow once, I was downhearted
Disappointment was my closest friend
But you came, he soon departed
And he never showed his face againOhh I'm so glad I finally found you
You're that one in a million man
When you wrap your lovin' arms around me
I can stand up and face the world againYour love is liftin' me higher
Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forevermoreOh your love is liftin' me higher
Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forevermoreYour love is liftin' me higher
Than I've ever been lifted before
So keep it up, quench my desire
And I'll be at your side forevermore
