

Brake

WZRD

[Kid Cudi]

No light to guide my way
I'm goin' blind down the hill
Nothing that no one can say
I'm gonna find my will to liveNo light to guide my way
I'm goin' blind down the hill
There's nothing that no one can say
I'm gonna find my will to liveNo, I won't brake
No, I won't brakeNo light to guide my way
I'm' goin blind down the hill
There's nothing that no one can say
I'm gonna find my will to liveNo, I won't brake
