Talk To Me

Ringside

I've got a feeling
You've been so confused
There's something that you've been fighting
Deep inside youI know you got some damage
I know what you've been through
But there's nothing I can't manage
I'm gonna take care of youTalk to meOh, you seem a little nervous
Baby you ain't alone
But lady I'm at your service
So come on let me take you home
