

Soldier of Love

Pearl Jam

Lay down your arms, and surrender to me
Lay down your arms, and love me peacefully Use your arms to squeeze, please
I'm the one who loves you so There ain't no reason for you to delcare
War on the one who loves you so
So forget the other boys, cos my love is real
Come off your battlefield Lay down your arms, and surrender to me
Lay down your arms, and love me peacefully, yeah Use your arms to squeeze, please
That's the way it's got to be The words that you're usin'
Are hurtin' me bad
But someday you're gonna retreat
Cos my love baby is the truest you ever had
I'm a soldier of love, that's hard to beat Lay down your arms, and surrender to me
Lay down your arms, and love me peacefully Use your arms to hold me tight
Baby, I don't want to fight, no more (2x) Baby, lay down your arms, baby baby
Oh, please, baby lay down your arms
Cha cha cha
