Hold Me So Tight

Sally Shapiro

It was another grey ordinary day
I met you in the store you were in my way
We talked about the rain falling on the streets
We ended up as friends meeting twice a weekBaby, you know I care for you
Don't pretend you have no clue
I may be wrong or I may be true
But I think you like me tooHold me so tight
In the night
I see our lantern shining bright
I know you'll be mine
In no time
In the moonshineDeep in my soul
I know
That we were never meant to go
Walking alone
So be mine
In the sunshineAnd I gave you a kiss when we went to dance
I felt it in the air it was a romance
I looked into your eyes you gave me a smile
And nothing else existed for a whileHold me so tight
In the night
I see our lantern shining bright
I now you'll be mine
In no time
In the moonshineDeep in my soul
I know
That we were never meant to go
Walking alone
So be mine
In the sunshine
