

The Strange Famous Mullet Remover

Sage Francis

Closing out our feature for you now
Captain of our slam team - Sage Francis.
It was the (beatboxing) that got me (beatboxing)
It was the (beatboxing) break (beatboxing)
It was the...(beatboxing) 8x
Name's Francis but everybody calls me free baby
any of you guys call me Francis
and ill kill you

and i dont like nobody touching my style
i catch any of you guys in my style i'll kill you
also i dont like anybody touching me
and any of you homos touch me and ill kill you

"I cant settle down here, I cant. I gotta be free. I'm not, I enjoy company in a woman, I. I love you. It's just eh. I don't need em. See you know thats the way it is when you're a true artist, let my feelings come out in my music" - Sage

"Yeah well maybe if you put your feelings out in real life, then your music will be even better" - Woman
