

My Lord

Michael Franti & Spearhead

My Lord, my Lord, my Lord, my Lord
Show me all the things I need to know
My Lord, my Lord, my Lord, my Lord
Take me to the place I need to go When I was born, I was alone
I spent the rest of my life finding my way home
I chose the long road but it walked on me instead
I saw a sign there and this is what it said We all get the time worth giving
But mine ain't over so I keep on living
We all get the life we're living
But mine ain't over so I keep on giving
Till the day I die My Lord, my Lord, my Lord, my Lord
Show me all the things I need to know
My Lord, my Lord, my Lord, my Lord
Take me to the place I need to go (here we go!) My Lord, my Lord, my Lord, my Lord
Show me all the things I need to know
My Lord, my Lord, my Lord, my Lord
Take me to the place I need to go We all get the time worth giving
But ours ain't over so we keep on living I bought a guitar and I wrote a song
I wrote it down for you so you could sing along
The flames of my heart went pounding through my head
Turned into teardrops and this is what they said My Lord, my Lord, my Lord, my Lord
Show me all the things I need to know
My Lord, my Lord, my Lord, my Lord
Take me to the place I need to go (here we go!) My Lord, my Lord, my Lord, my Lord
Show me all the things I need to know
My Lord, my Lord, my Lord, my Lord
Take me to the place I need to go Take me to the place I need to go
Take me to the place I need to go
Take me to the place I need to, take me to the place I need to
Take me to the place I need to go We all get the time worth giving
But mine ain't over so I keep on living
We all get the life we're living
But mine ain't over so I keep on giving
(Here we go!) till the day I die My Lord, my Lord, my Lord, my Lord
Show me all the things I need to know
My Lord, my Lord, my Lord, my Lord
Take me to the place I need to go (here we go!) Take me to the place I need to go
Take me to the place I need to go
Take me to the place I need to, take me to the place I need to

Take me to the place I need to go
We all get the life we're living
But ours ain't over so we keep on giving
Till the day we die
