

Lie To Me

[Jonny Lang](#)

Lie to me and tell me everything is all right
Lie to me and tell me that you'll stay here tonight
Tell me that you'll never leave
Oh, and I'll just try to make believe
That everything, everything your telling me is true
Come on baby won't you just Lie to me, go ahead and lie to me Lie to me, it doesn't matter anymore
It could never be, the way it was before
If I can't hold on to you
Leave me somethin' I can hold onto
For just a little while won't you, won't you let me be Oh, anyone can see
That you love him more than me
But right now baby let me pretend
That our love will never end Lie to me, go ahead and lie to me
