The Model

The Wildbunch

She's a model and she's looking good
I'd like to take her home that's understood
She plays hard to get, she smiles from time to time
It only takes a camera to change her mindShe's going out tonight but drinking just champagne
And she has been checking nearly all the men
She's playing her game and you can hear them say
She is looking good, for beauty we will payShe's posing for consumer products now and then
For every camera she gives the best she can
I saw her on the cover of a magazine
Now, she's a big success, I want to meet her again
