

Have a Heart

[Yahzarah](#)

Hey, shut up, don't lie to me
You think I'm blind but I've got eyes to see
Hey, mister, how do you do?
Oh, pardon me, I thought I knew you Would you stand back baby
'Cause I want to get a better look
The big man who couldn't handle
The little bit of love you took Hey hey, have a heart, hey, have a heart
If you don't love me, why don't you let me go?
Have a heart, please, oh don't you have a heart?
Little by little you fade while I fall apart, oh oh Oh darling, I love you so
I told you yes and then you told me no
Baby, how can you say
You should be free and I should pay and pay And you talk and talk
About you and what you need
But sooner or later
Your love is gonna make me bleed Hey hey, have a heart, hey, have a heart
If you don't love me, why don't you let me go?
Have a heart, please, oh don't you have a heart?
Little by little you fade while I fall apart, oh oh Talk on, talk on
But love is what you need
And sooner or later
That love is gonna make you bleed Hey hey, have a heart, hey, have a heart
If you don't love me, why don't you let me go?
Have a heart, please, oh don't you have a heart?
Little by little you fade while I fall apart
But don't you run away, baby Have a heart Hey hey, have a heart Please Hey hey, have a heart
