Mr. Gold

Warlock

No mercy
See the master of evil
Diamonds in his eyes
Finger-tips like a needle
Stab you from behindHe'll pay any price
To buy your heart and soul
He makes a deal with heaven
All he wants is your life
To cut another sliceNo mercy for Mr. Gold
No mercy - Don't
Shake hands with the devil
Dreams are not for saleHe bleeds you white
To kill your dignity
He makes a deal with heaven
All he wants is your life
To cut another sliceNo mercy for Mr. Gold
No mercy - no mercy!
No mercy for Mr. Gold
He's a stranger!See the master of evil
Diamonds in his eyes
Fingertips like a needle
Stab you from behindHe'll pay any price
To buy your heart and soul
He makes a deal with heaven
All he wants is your life
To cut another sliceNo mercy for Mr. Gold
No mercy - no mercy!
No mercy for Mr. Gold
No mercy - stranger!See the master of evil
Diamonds in his eyes
No mercy..
See the master of evil
Diamonds in his eyes
Dreams are not for sale..
See the master of evil
Diamonds in his eyes
No mercy..
See the master of evil
Diamonds in his eyes..

See the master of evil
Diamonds in his eyes
