I'm No Good at Goodbyes

Ronnie Milsap

I'M NO GOOD AT GOODBYES
Writer Ben PetersYou don't have to tell me that it's over
For lately I can see it in your eyes
And I'll be gone when you wake up this morning
Cause darling I'm no good at goodbyes
I know we had the good things while it lasted
It's sad to see a good love when it dies
But the teardrops only make it hard for leaving
And darling I'm no good at goodbyes
Although it breaks my heart to write this letter
I know someday that you will realize
That when it hurts so much this way is better
And darling I'm no good at goodbyes
Oh darling I'm no good at goodbyes
