

I'm No Good at Goodbyes

[Ronnie Milsap](#)

I'M NO GOOD AT GOODBYES

Writer Ben Peters You don't have to tell me that it's over

For lately I can see it in your eyes

And I'll be gone when you wake up this morning

Cause darling I'm no good at goodbyes

I know we had the good things while it lasted

It's sad to see a good love when it dies

But the teardrops only make it hard for leaving

And darling I'm no good at goodbyes

Although it breaks my heart to write this letter

I know someday that you will realize

That when it hurts so much this way is better

And darling I'm no good at goodbyes

Oh darling I'm no good at goodbyes
