

Steady My Heart

[Kari Jobe](#)

Wish it could be easy
Why is life so messy
Why is pain a part of us
There are days I feel like
Nothing ever goes right
Sometimes it just hurts so much But You're here
You're real
I know, I can trust You Even when it hurts
Even when it's hard
Even when it all just falls apart
I will run to You
Cause I know that You are
Lover of my soul
Healer of my scars
You steady my heart (x2) I'm not gonna worry
I know that You got me
Right inside the palm of your hand
Each and every moment
What's good and what gets broken
Happens just the way that You plan And I will run to You
And find refuge in Your arms
And I will sing to You
Cause of everything You are
You steady my heart (x2)
