

Good Luck, And Good Night

The Beautiful Bodies

Was only yesterday
You threw your life away
Making choices like a plan for suicide
Your life is like a play
And I ain't gonna stay
It's not the end until someone has to die Time is gonna come
You have got to learn Go live your life
Good luck, and good night
You're out of time
Good luck, and good night
And don't look back
You'll find a knife where you once
You once, you once had a spine
You're trapped
Good luck, and goodnight
No need to make amends
I'd rather make a scene
You're just a trust fund on amphetamines
So fuck your fancy house
Fuck your bank account
You're a loser, got no friends, and I'll cut you out Time is gonna come
You have got to learn
Go live your life
Good luck, and good night
You're out of time
Good luck, and good night
And don't look back
You'll find a knife where you once
You once, you once had a spine
You're trapped
Good luck, and goodnight
Ah, ah, ah, ah
I'm onto you
Ah, ah, ah, ah, ah Go live your life
Good luck, and good night
You're out of time
Good luck, and good night
And don't look back
You'll find a knife where you once

You once, you once had a spine
You're trapped
Good luck, and goodnight
