Praise Saved My Life

Jonathan Nelson

(Verse 1)
I learned how to praise Him, consistently
I learned how to praise Him, 'til I got free,
I learned how to praise Him, consistently
I learned how to praise Him, 'til I got free,
(Chorus)
I've got revelation,
for my situation,
faith activation,
It's a celebration
I've got revelation,
for my situation,
faith activation,
new determination
I've learned to survive,
Faith saved my life
(Verse 1)
(Chorus)
(Verse 2)
I've got something that I can't describe,
All I know is that God placed it inside,

Through it all I kept my praise alive,
That's the reason that I I survive
(Chorus)
(Refrain 1)
No remedy, for the rest of my days
It's a strategy, called praise
No remedy, for the rest of my days
It's a strategy, called praise
(2x)
(Refrain 2)
Praise saved me,
Praise save my life
Praise saved me,
Praise save my life
(2x)
(Refrain 3)
Praise saved me

Saved me
Praise save me
Saved me
(2x)
(Refrain 2)
(3x)
