

# Keep Movin' On

[Sam Cooke](#)

Keep movin' on, keep movin' on  
Life is this way  
Keep movin' on, keep movin' on  
Everyday When I go to sleep at night  
I add up my day  
Trying to recall the things I done  
And debts I have to pay  
For there is one thing that I know  
What you reap is what you sow Keep movin' on, keep movin' on  
Life is this way  
Keep movin' on, keep movin' on  
Everyday Brother, mind what you do  
And how you treat your fellow man  
If you're like me, you'd try to live  
The very best you can  
For if you spread good all around  
You'd be able to sleep when the sun goes down
