

Thunder

SHAED

We walked up to the tower
They looked down from above
I never dreamed trouble could be coming from
So few people Wherever you are
Let's get loud like Thunder
Know in your heart
They won't drag us under
They can blow
Every brick we lay will make us stronger All we heard was a whisper
When they paid for a beating drum
They never dreamed together we could make a sound
That would drive them out Wherever you are
Let's get loud like Thunder
Know in your heart
They won't drag us under
They can blow
Every brick we lay will make us stronger Yeah yeah yeah Wherever you are
Let's get loud like Thunder
Know in your heart
They won't drag us under
They can blow
Every brick we lay will make us stronger Wherever you are
Let's get loud like Thunder
Know in your heart
They won't drag us under
They can blow
Every brick we lay will make us stronger
