Ploy

Bbno$

[Hook]
Big bad wolf, you a cry, you a pussy boy
New strap and a clip (huh)
I got brand new toys
Iced out, blinged out, flexing in some corduroys (skrr skrr)
I don't like your ploy
I don't like your ploy
Where your mama, she squirting
Money long, it need curtains
Woke up and I'm swerving
Posted in the booth working
Posted in the back lurking
Falcon texting I'm curving
I don't like your ploy
I don't like your ploy

[Verse 1]
Why you trust your mom, boy she with me
And she nasty, chowing on some man's meat
Missiology, I pipe your wife so hastily (one two three)
Why she mean to me?
And why she using me?
Piping like I'm Mario (ooh)
Up, down, left, right (ching)
Woke up with cardio
Scurry boy, rest tight
Don't play with white flour, but I'm needing all of that dough (baker)
Don't play with me bitch, you know I'll melt you like the snow (bbno$)

[Hook]
Big bad wolf, you a cry, you a pussy boy
New strap and a clip (huh)
I got brand new toys
Iced out, blinged out, flexing in some corduroys (skrr skrr)
I don't like your ploy
I don't like your ploy
Where your mama, she squirting
Money long, it need curtains
Woke up and I'm swerving

[Verse 2]
Fee fi fo fum, swerving off a double cup
Wait, hold up, bitch I'm just sipping coffee (skrr)
In the mouth like some toffee (toffee)
Asked for clean she gave me sloppy (sloppy)
Yo we need a clean up on aisle five (damn)
On the low, never high
I'm a plane, I'm a grow
Pesticides, GMOs, fuck the lean, fuck the dro
Something saying, thanks for staying, kick her out, was a prank
Diamonds clean, diamonds bling, you ain't gang, you a lame

[Hook]
Big bad wolf, you a cry, you a pussy boy
New strap and a clip (huh)
I got brand new toys
Iced out, blinged out, flexing in some corduroys (skrr skrr)
I don't like your ploy
