

# Ayo Technology

## Milow

She work it girl, she work the pole  
She break it down, she take it low  
She's fine as hell, she's about the dough  
Doing her thing right on the floor  
Her money money, she makin'  
Got the way she shakin'  
Make you want to touch her, you wanna' taste her  
Have you lustin' for her,  
Go crazy face it  
She's so much more than you're used to  
Know's just how to move to seduce you  
She's gone do the right thing and touch the right spot  
Dance in your lap till you're ready to pop  
She's always ready, when you want it she want it  
Like a nympho, the info  
I'll show you where to meet her  
On the late night, till daylight the club jumpin'  
If you want a good time, she gone give you what you want  
Baby It's a new age,  
You like my new craze  
Let's get together  
Maybe we can start a new phase  
The smokes got the club all hazy,  
Spotlights don't do you justice baby  
Why don't you come over here,  
You got me saying  
Aayooh  
I'm tired of using technology,  
Why don't you sit down on top of me  
Aayooh  
I'm tired of using technology  
I need you right in front-- of me  
In her fantasy, there's plain to see  
Just how it be, on me, backstrokin',  
Sweat soaking  
All into my set sheets  
When she ready to ride, I'm ready to roll  
I'll be in this bitch till the club close

What should I do, on all fours

Now that that shit should be against the law

Different style, different move,

Damn I like the way you move

Girl you got me thinking about,

All the things I'd do to you

Let's get it poppin' shorty

We can switch positions

From the couch to the counters in my kitchen

Baby It's a new age,

You like my new craze

Let's get together

Maybe we can start a new phase

The smokes got the club all hazy,

Spotlights don't do you justice baby

Why don't you come over here,

You got me saying

Aayoooh

I'm tired of using technology,

Why don't you sit down on top of me

Aayoooh

I'm tired of using technology

I need you right in front of me

Ooh she wants it, ooh she wants it

Hmm she wants it, I got to give it to her

She wants it, hmm she wants it

Hmm she wants it, I got to give it to her

I got to give it to her

Baby It's a new age,

You like my new craze

Let's get together

Maybe we can start a new phase

The smokes got the club all hazy,

Spotlights don't do you justice baby

Why don't you come over here,

You got me saying

Aayoooh

I'm tired of using technology

Why don't you sit down on top of me

Aayoooh

I'm tired of using technology

I need you right in front of me
