Witch

Burn The Ballroom

Counting all my sins on the way to the church
I've got your taste on my lips and a demon in my heart
Mercy Mother Mary please deliver to her a little faith and a kiss and assurance till this startsThey're chasing the sweet scent on your clothes
Can't stop the shaking in my hands
And if I can find you angel
Heaven only knowsStay where you are
I'm taking you away
Far beyond the flames
Stay where you are
I'm finding us a way
Far beyond the flames
Stay where you areAshes in the streets yeah I'm aware of the stakes
I smell the burning of the innocent the trial of their souls
Witch she's a witch cry the wolves and the snakes
They tie the cursed to their beds and they leave them for the crowsThey're carving your name into the post
Can't stop the shaking in my hands
And if I can save you angel
Heaven only knowsStay where you are
I'm taking you away
Far beyond the flames
Stay where you are
I'm finding us a way
Far beyond the flames
Stay where you areStay where you are...
