

# Seven Deadly Sins

## NateWantsToBattle

Oh oooh ooh oh oh  
The pain and the pleasure all come together  
There is no reason why

Oh oooh ooh oh oh  
The pain and the pleasure all come together  
There's no reason why  
(Don't play that)

I got my demons, they don't know  
I'm fierce enough to let them go  
It's like a fire, a strangle hold  
I wish I was invincible

Hello desires, you're my old friend  
But I don't need you here again  
Just take a walk, go back inside  
I'll see you on the other side

Wandering around in the dark searching  
For an answer to spark  
As devil and sin we'll fight again

Oh oooh ooh oh oh  
The pain and the pleasure all come together  
There is no reason why

Oh oooh ooh oh oh  
The pain and the pleasure all come together  
There's no reason why
