

# Old Black Dodge

[Sean Rowe](#)

Old black dodge on the side of the road  
Old black dodge on the side of the road  
Shouldn't have stopped but how could I know?  
Shouldn't have stopped but how could I know?  
I slay the sweat with the back of my hand.  
I slay the sweat with the back of my hand.  
She was a river and I was just a man.  
She was a river and I was just a man.  
She said, "Hey, kid, I don't buy it."  
She said, "Hey, kid, I don't buy it."  
But if you wanna see it dark, get out of the light.  
If you wanna see it dark with me, get out of the light.  
Everybody else what they gonna say.  
Everybody else what they gonna say? I can't do it for love.  
NO, it's got to be for play.  
I can't do it for love or work.  
It's got to be for play.  
I said, "Hey, Jesus, what's that line?"  
I said, "Hey, Jesus, what's that line?"  
I keep hearing in the wilderness of my own mind.  
I keep hearing in the wilderness of my own mind.  
Old black dodge on the side of the road.  
Old black dodge on the side of the road.  
Old black dodge on the side of the road.  
Old black dodge on the side of the road.
