

# When They Come For Me

## Linkin Park

I am not a pattern to be followed  
The pill that I'm on is a tough one to swallow  
I'm not a criminal, not a role model  
Not a born leader, I'm a tough act to follow  
I am not the fortune and the fame  
Nor a sane person telling you to forfeit the game  
I came in the ring like a dog on a chain  
And I found out the underbelly's sicker than it seems  
And it seems ugly but it can get worse  
'Cause even a blueprint is a gift and a curse  
'Cause once you got a theory of how the thing works  
Everybody wants the next thing to be just like the first  
And I'm not a robot, I'm not a monkey  
I will not dance even if the beat's funky  
Opposite of lazy, far from a punk  
Ya'll oughta stop talking  
Start trying to catch up mother fucker  
And all the people say  
Try to catch up mother fucker  
Lauryn said money change a situation  
Big said it increase the complication  
Kane said don't step, I ain't the one  
Chuck said a Uzi weighs a mother fucking ton

And I'm just a student of the game that they taught me  
Rocking every stage in every place that they brought me  
I'm awfully underrated but came here to correct it  
And so it ain't mistaken Imma state that for the record  
I am the opposite of whack, opposite of weak  
Opposite of slack, synonym of heat  
Synonym of crack, closest to a peak, far from a punk  
Ya'll oughta stop talking  
Start trying to catch up mother fucker  
And all the people say  
Try to catch up mother fucker  
Oh, when they come for me  
Come for me  
I'll be gone  
Oh, when they come for me

Come for me  
I'll be gone  
Oh, when they come for me  
Come for me  
I'll be gone  
And all the people say  
Try to catch up mother fucker
