

# Six Days On The Road

## Sawyer Brown

E.Greene/E.Montgomery Well I pulled out of Pittsburgh rolling down the eastern seaboard

I've got my diesel wound up and she's running like a never before

There's a speed zone ahead but all right, I don't see a cop in sight

Six days on the road and I'm gonna make it home tonight I got ten forward gears and a Georgia overdrive

I'm passing little white lines and my eyes are open wide

Just passed a Jimmy and a White, I've been passing everything in sight

Six days on the road and I'm gonna make it home tonight Well it seems like a month since I kissed my baby  
goodbye

I could have a lot of women but I'm not like some of the guys

I could find one to hold me me tight,

But I could never make believe it's right

Six days on the road and I'm gonna make it home tonight Well the ICC is checking on down the line

I'm a little overweight and my log books are way behind

But nothing bothers me tonight, I can dodge all the scales all right

Six days on the road and I'm gonna make it home tonight My rigs a little old but that don't mean she's slow

There's a flame from her stack and the smoke's blowing black as coal

My home town's coming in sight, if you think I'm happy you're right

Six days on the road and I'm gonna make it home tonight Six days on the road and I'm gonna make it home  
tonight Six Days On The Road and  
I'm gonna make it home tonight
