Land Ho!

Mirah

(White Shirts = Stains Compilation)I wish i was a sailor, sailor
Kiss my salty lips, remember
All the times you shouted "land ho!"
See the shore line approaching, ho
I see all the ships in the sea
All the ships in the sea
All the ships in the seaWhat is it that sailors drink
So the ocean doesn't scare them?
I'll pound a few and then wait for you
In my big tall shipI wish i was a sailor, sailor
Kiss my salty lips, remember
All the times you said hello
All the times you said let's go
I see all the fish in the sea
All the fish in the sea
All the fish in the seaWhat is it that sailors drink
So the ocean doesn't scare them?
I'll pound with you and wait for you
In my big tall shipWhat is it that sailors drink
So the ocean doesn't scare them?
I'll pound with you and wait for you
In my big tall ship
