Stop the World (And Let Me Off)

Rhonda Vincent

Round an' around an' around
Round an' around an' around
Round an' around an' around
And around and aroundOh, stop the world and let me off
I'm tired of goin' round an' round
I played the game of love and lost
So stop the world and let me offMy heart is shattered can't you see
No longer care for me
But someday I'm sure you'll see
Loving you did this to meMy dream world tumbled to the ground
The one I love has let me down
I lost the wonder of his kiss
How could he leave me here like thisOh, stop the world and let me off
I'm tired of goin' round an' round
I played the game of love and lost
So stop the world and let me offStop all this burning up inside
I know his love for me has died
I lost the wonder of his kiss
How could he leave me here like thisOh, stop the world and let me off
I'm tired of goin' round an' round
I played the game of love and lost
So stop the world and let me off
