

Long Way to Go (Reprise)

Dwight Yoakam

Don't look inside
No, don't look there
'Cause you might find
Yourself somewhere Walkin' 'round
Lost and alone
Without one clue
That it's a long way home Years and years
Is a lot of time
To drag your heart across
Every rock you find
Hate is deep
And its pull is strong
But the passion's short
Then it's a long way home I can't take
One single step for you But I might just help
To find some
small pathway through Don't look back
'Cause you might see
Just how far
All that used to be Just let your mind
Think on what's gone
And then you'll know
That it's a long way home Yeah, you'll know
That it's a long way home You'll find out
That it's a long way home There ain't no doubt
That it's a long way home
