

Skeletal Dance

Venom

Transparently obvious, tactless and trite
You give up on life mate, your not worth the fight
We're looking right through you to see to the soul
But sadly in your case your only a holeSkeletal dance
Skeletal dance
Skeletal dance
Skeletal danceLiving your life by the end of a string
You have to admit, it's not a great thing
Humptie's more older and Humptie's more wise
Except when he grins you'll see through theSkeletal dance
Skeletal dance
Skeletal dance
Skeletal danceNow Mickey's a mouse, so his young brother says
The best crimes are cowardly, crime never pays
Violence, destruction and killing's the shout
Where does he hide when the cat is about?Skeletal dance
Skeletal dance
Skeletal dance
Skeletal danceSkeletal dance
Skeletal dance
Skeletal dance
