Lilypad (Max Tundra remix)

Ruby

Who needs a ring, you're gonna swing for
Doing a nasty little thing for this daughter's
A dish you're gonna sing for
Sing for me, sing for me, sing for meThey say you have to learn to love once
Before the light is gonna come
And so, I know it's never gonna come for me
Come for me, come for meThe mind connection will be made
And you might think you're getting paid
But you're still on the lilypad, baby
And you might think this deal is done
But silk is worm until it's spun
You're still on the lilypad, yeahWho needs a dog ya gotta dig for
Beg, or kiss around the dirt for
Show me ninety ways to get more
More for me
Sing for me, sing for meThe mind connection will be made
And you might think you're getting paid
But you're still on the lilypad, babyAnd you might think this deal is done
But silk is worm until it's spun
You're still on the lilypad, yeahThe mind connection will be made
And you might think you're getting paid
But you're still on the lilypad, baby
And you might think this deal is done
But silk is worm until it's spun
You're still on the lilypad, yeah
You're still on the lilypad, yeah
You're still on the lilypad, yeah
You're still on the lilypad, yeah
You're still on the lilypad, yeah
