Soon

The Four Seasons

Oh, soon
Oh, I'll be home again
Soon, hey, darling
Wait 'til thenSoon, soon
I'll make it worthwhile
Don't cry, try to get bySoon, we'll watch
The sun go down
There will be a
Thousand stars around(Soon, soon, soon)
Oh, just imagine
Me and you, what we can do
Soon, so soonDidn't we both make a vow
Darling, don't break it now
It's much too soonI'll take you by the hand
Soon, you'll wear
My wedding band
Soon, soon, soonNo tear stained pillows
For you, darling
I'll be home soonDarling, I'll be home soon
Wait and see
Darling, I'll be home soon
