

# Soon

## The Four Seasons

Oh, soon  
Oh, I'll be home again  
Soon, hey, darling  
Wait 'til then Soon, soon  
I'll make it worthwhile  
Don't cry, try to get by Soon, we'll watch  
The sun go down  
There will be a  
Thousand stars around (Soon, soon, soon)  
Oh, just imagine  
Me and you, what we can do  
Soon, so soon Didn't we both make a vow  
Darling, don't break it now  
It's much too soon I'll take you by the hand  
Soon, you'll wear  
My wedding band  
Soon, soon, soon No tear stained pillows  
For you, darling  
I'll be home soon Darling, I'll be home soon  
Wait and see  
Darling, I'll be home soon
