

# My Day

## Noise Ratchet

I woke up today  
In a sick, sick world  
I opened my eyes to see  
It just a hurting placeMy God can break its fall  
In a world of hearts not beating at all  
Its chances are leaving with time  
Its kill or be killed evolution liesDay after day has gone by  
I try and I try to realize  
What I can change  
What falling apart.
