Time

Brutal Truth

I see through
The gray facade
Solemn expression
Time goes onAgeless questions
Pointless passing thoughts
Time, time goes onBackwards, forwards
Meaningless answers
Time, time goes onAgeless questions
Pointless passing thoughts
Time, time goes onInsight on moral values
Problem faced on scriptless parts
Screaming the confrontation
Problem faced, time, time goes onI see through
The gray facade
Solemn expression
Time goes onBackwards, forwards
Meaningless answers
Time, time goes on
