She Belongs to Me

Thomas Helmig

See that woman standing over there
she belongs to me
man , I'd follow her anywhere
she belongs to me
I keep looking thinking to myself
she belongs to me
and that's where I go
whenever I need help
she belongs to meSay it now
she belongs to me
she belongs to me
the most beautiful woman in the world
she belongs to me
I needed someone to help me out
I was in misery
and the very last minute
there she was
sweet remedy
she asked me where I'd been
and if I needed some company
I said baby please stick around
and now she belongs to meThat's rightSay it now
she belongs to me
she belongs to me
the most beautiful woman in the world
she belongs to me
Long ago
first time I met her
had a feeling I was gonna get her
but I was young and let her slip away
she slipped away
One night
years later
she returned
looking even greater
and she asked me
have you been okay
I said
I've been thinking about you every daySo take a look at the woman over there

she belongs to me
the good looking woman over by the blue chair
she belongs to me
I belong to her
she belongs to meAnd I just keep looking
and I just keep looking
and I just keep looking
Looking at her
loving herShe belongs to me
she belongs to me
the most beautiful woman in the world
she belongs to me
